RWI	Phonics: Children are assessed half-termly and placed in a group according to their ability. RWI is taught daily. Pupils are taught daily by a Read, Write Inc. (RWI) teacher in groups organised by stage, not age. In addition, 10-minute daily 1:1 sessions take place to ensure that all pupils 'keep up, not catch up'. Pupils are assessed ½ termly, progressing rapidly through the programme. When pupils progress off the RWI Programme, they begin the CELT reading curriculum.
